Programs

For Gr. 1-9 course selection, please fill out [page 6](#)

For Gr. 10-12 course selection, please fill out [pages 7-9](#)

Program Descriptions (please read before proceeding to course selection):

Online: Online students have access to online teachers for each course who have created the lessons. Online teachers will help with questions, as well as mark assignments and tests. Parental support is beneficial as evidence shows the greater the degree of parental involvement, the greater the degree of student success. There is no registration cost for our online program. The only cost is mailing books or consumable fees for any courses that require consumable resources. If you are a non-Alberta resident, please refer to the fees listed on page 9.

Please note: Online students are required to have Microsoft Office 2013 or later for their courses. As a school, we have a subscription to Office 365 that students may use at no cost.

Pages and Open Office are not compatible.

Print Based Resource Program (PBR): PBR students are assigned a teacher who, considering your input, will select instructional materials from a list of approved print based resources that align with Alberta Education's learning outcomes. NorthStar teachers have developed a plan for instruction and assessment for each of these approved resources which your teacher will share with you. Assigned work will be submitted online through our Learning Management System so that teachers can provide feedback and assess completed instructional tasks.

Shared Responsibility (Blended) Program: Each student in the Shared Responsibility Program will have the opportunity to do from one to four **core** subjects as teacher-directed (Online or PBR) with the remaining subjects as parent-directed (Home Ed). The minimum for the teacher-directed portion is 20% with a maximum of 80%.

Home Education (Parent Directed) Program: NorthStar Academy supports families who provide home education for their children. Our staff is here to work with parents to customize their program and meet their children's specific needs and will outline their choices through an Education Plan setup with their assigned support teacher.
